PERSONAL PROFILE STATEMENT

I am a motivated second-year Software Engineering student with intermediate-level proficiency in both Java and Python. My technical skills extend to using libraries such as NumPy, Scikit-learn, Math.lib, and Matplotlib, which I have applied in various academic projects. I am eager to expand my knowledge in programming languages and technologies as I continue my studies. My goal is to gain practical experience in the IT industry, particularly in AI or software development. I am seeking an internship or entry-level position in a dynamic and innovative company where I can contribute and further develop my skills in real-world applications.

EDUCATION

EDUVOS

2022 – 2026

Bachelor of Information Technology : Software Engineering

Achievements

- Distinctions in Information Systems / Procedural Programming / Introduction to Programming / Computer Skills (Microsoft) / Mobile Application Development / Windows Server Management

Acudeo College Crystal Park

2018 - 2022

High School Certificate (Bachelor's Pass)

Key Skills

Technical Skills:

- **Languages:** Java, Python, JavaScript, HTML, CSS
- **Libraries/Frameworks:** NumPy, Scikit-learn, Math.lib, Matplotlib, React.js, Gsap.js
- **Tools:** Git, IDEs (e.g., Visual Studio, Android Studio)

Transferable skills:

- Teamwork & collaboration
- Problem-Solving
- Adaptability
- Research and Analytical skills
- Self-Motivation

Work Experience

(Looking for an internship...)

Hobbies & Interests

- Programming
- AI and Machine Learning
- Software development
- Gaming
